

## General Meeting Minutes October 15, 2001 "Addendum"

The following are the "promised" printing of Brags. If you find any omissions or inaccuracies, please let me know and I will fix.

Brags:

Ann & Holly (Golden Retriever) – at the Yuba City KC show have obtained 88 points towards their OTCH (Obedience Trial Championship).

Nancy & Otter (Labrador) – Otter finally crossed the bathroom floor which is linoleum, but that was once, and only once.

Fred & Pat & Nancy (Bernese Mtn Dog) – Puppies are due the week before the Big Show.

The following brags are from the ASCA/NADAC agility trial held at Tres Pinos (Hollister):

Lindsay & Becca (Corgi) – one leg away from Outstanding Novice.

Cherie & Moon (Aussie) – Received 3 Standard legs

Cherie & Mori (Aussie) – 1<sup>st</sup> time in Elite, got 2 "Q"s worth 5 points each.

Patti & Holly (Aussie) – Received 1 "Q" and a 2<sup>nd</sup> place and a 3<sup>rd</sup> place.

Holly & Kody (Corgi) – Received two "Q"s in Regular agility

Holly & Bella (Corgi) – Received a Novice Regular "Q"

Peggy & PJ (Lab/BC X) – Got 3 "Q's" in Open standard, but they had to recalculate it three times to get it correct, and she ended up with a 1<sup>st</sup> place on the last run. Got her Gamblers title also.
